**MANAGEMENT INFORMATION CIRCULAR
DATED AS OF 9th MAY, 2011**

BVI Business Companies Act, 2004

In respect of the Annual General Meeting of shareholders (the “**Meeting**”) of Arian Silver Corporation (the “**Company**”) to be held in the Charles Suite, The Chesterfield Mayfair, 35 Charles Street, London W1J 5EB, England, on 7 June, 2011 at 11:30 a.m. (London time).

SOLICITATION ON BEHALF OF THE MANAGEMENT OF THE COMPANY

THIS MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION ON BEHALF OF THE MANAGEMENT OF THE COMPANY OF PROXIES TO BE USED AT THE MEETING (AND ANY ADJOURNMENT THEREOF) TO BE HELD ON 7 JUNE, 2011 AT THE TIME AND PLACE AND FOR THE PURPOSES SET FORTH ABOVE AND IN THE ACCOMPANYING NOTICE OF MEETING. Proxies will be solicited primarily by mail and may also be solicited personally or by telephone by the directors, officers and employees of the Company without special compensation. The cost of solicitation by management of the Company will be borne by the Company.

The Company may pay the reasonable costs incurred by persons who are the registered but not beneficial owners of voting shares of the Company (such as brokers, dealers, other registrants under applicable securities laws, nominees and/or custodians) in sending or delivering copies of this Management Information Circular, the Notice of Meeting and form of proxy to the beneficial owners of such shares. The Company will provide, without cost to such persons, upon request to the Secretary of the Company, additional copies of the foregoing documents required for this purpose.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are nominees of management of the Company. **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, TO REPRESENT HIM, HER OR IT AT THE MEETING MAY DO SO** by either filling in the name of such person in the blank space provided in the proxy or by completing another proper form of proxy. A shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed proxy with the Company’s transfer agent and registrar, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, Canada M5J 2Y1, or sent by facsimile within North America to +1 (866) 249-7775 and outside North America to +1 (416) 263-9524, not less than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting or any adjournment thereof at which the proxy is to be used, or deliver it to the Chair of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy should be executed by the shareholder or his or her attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized.

In addition to any other manner permitted by law, a proxy may be revoked before it is exercised by instrument in writing executed in the same manner as a proxy and deposited at the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, Canada M5J 2Y1, or at the Company's office at Berkeley Square House, Berkeley Square, London W1J 6BD, England at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used or with the Chair of the Meeting on the day of such Meeting or any adjournment thereof and thereupon the proxy is revoked.

A shareholder attending the Meeting has the right to vote in person and, if he, she or it does so, his, her or its proxy is nullified with respect to the matters such person votes upon and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

EXERCISE OF DISCRETION BY PROXIES

The shares represented by proxies in favour of management nominees will be voted in accordance with the instructions of the shareholder on any ballot that may be called for and, if a shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the shares represented by the proxy will be voted accordingly. **WHERE NO CHOICE IS SPECIFIED, THE PROXY WILL CONFER DISCRETIONARY AUTHORITY AND WILL BE VOTED FOR THE ELECTION OF DIRECTORS, FOR THE APPOINTMENT OF AUDITORS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, AND FOR THE RE-APPROVAL OF THE COMPANY'S STOCK OPTION PLAN. THE ENCLOSED FORM OF PROXY ALSO CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE WITH RESPECT TO ANY AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING IN SUCH MANNER AS SUCH NOMINEE IN HIS JUDGMENT MAY DETERMINE.** As of the date hereof, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares of no par value (the "**Common Shares**"). At the date hereof, the Company has outstanding 301,189,112 Common Shares, each of which carries one vote. The outstanding Common Shares are listed on the TSX Venture Exchange (the "**TSXV**") under the symbol "AGQ"; on London's Alternative Investment Market ("**AIM**") under the symbol "AGQ"; on the Frankfurt Stock Exchange under the symbol "I3A" and trades on London's "PLUS" Market under the symbol "AGQ". The record date for the determination of shareholders entitled to receive notice of the Meeting has been fixed as 26 April, 2011 (the "**Record Date**"). The Company's registrar and transfer agent, Computershare Investor Services Inc., will prepare an alphabetical list of shareholders as of such Record Date showing the number of Common Shares held by each shareholder. A shareholder may examine the list during usual business hours at the offices of Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, Canada M5J 2Y1, and at the Meeting. Each shareholder named in the list will be entitled to one vote per Common Share shown opposite his, her or its name on the said list, even though he, she or it has since that date disposed of his, her or its Common Shares. Where a shareholder has transferred ownership of any of his, her or its Common Shares after the Record Date, the transferee (and not the original shareholder) may vote such shares provided he, she or it (a) produces properly endorsed share certificates to the Company or otherwise establishes to the Company that he, she or it owns such shares, and (b) demands, not later than 10 days before the Meeting, that his, her or its name be included in the list of shareholders before the Meeting.

As at the date of this Management Information Circular, to the knowledge of the directors or executive officers of the Company, no persons beneficially owned, controlled or directed, directly or indirectly, securities of the Company carrying more than 10% of the voting rights attaching to any class of outstanding voting securities of the Company, except for the following.

Name	Number of Common Shares held	Percentage
Sprott Asset Management LLP, on behalf of managed funds	50,298,888	16.7%

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only registered holders of Common Shares or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered Registered Retirement Savings Plans (“**RRSPs**”), Registered Retirement Income Funds (“**RRIFs**”), Registered Education Savings Plans (“**RESPs**”) and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of Canadian National Instrument 54-101, the Company will have distributed copies of the Notice of Meeting, this Management Information Circular and the form of proxy (collectively, the “**meeting materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Applicable regulatory law and policy requires Intermediaries and clearing agencies to seek voting instructions from Non-Registered Holders. Without specific instructions from Non-Registered Holders, Intermediaries and clearing agencies are prohibited from voting the shares of the Non-Registered Holders. Accordingly, Intermediaries and clearing agencies are required to forward the meeting materials to Non-Registered Holders. Non-Registered Holders will be given, in substitution for the proxy otherwise contained in proxy-related materials, a request for voting instructions (the “**voting instructions form**”) which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary, will constitute voting instructions which the Intermediary must follow.

The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives the voting instructions form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should so indicate in the place provided for that purpose in the voting instructions form and a form of legal proxy will be sent to the Non-Registered Holder. In any event, Non-Registered Holders should carefully follow the instructions of their Intermediary set out in the voting instructions form.

BUSINESS TO BE CONSIDERED AT THE MEETING

Audited Financial Statements

The Company’s audited financial statements for the financial year ended 31 December, 2010 and the report of the auditors thereon will be submitted to the Meeting. Receipt at the Meeting of the auditors’ report and the Company’s audited consolidated financial statements for the financial year ended 31 December, 2010 will not constitute approval or disapproval of any matters referred to therein.

Appointment of Auditors

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF PFK (UK) LLP AS AUDITORS OF THE COMPANY TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF.

PFK (UK) LLP was appointed on 24 May, 2006.

Election of Directors

The Articles of Association of the Company provide that the Company is authorised to appoint a minimum of one and a maximum of twelve directors. The board of directors of the Company (the “**Board**” or “**Board of Directors**”) currently consists of five directors and it is proposed that five directors be elected at the Meeting. The following table and the notes thereto state the names of all the persons proposed to be nominated by management for election as directors, their municipalities of residence, all other positions and offices with the Company now held by them, their principal occupation or employment, the period or periods of service as directors of the Company and the approximate number of voting securities of the Company beneficially owned, controlled or directed, directly or indirectly, by each of them as of the date hereof.

The present term of office of each current director of the Company will expire at the close of the Meeting. Each person whose name appears hereunder is proposed to be elected as a director of the Company to serve for the period commencing immediately subsequent to the close of the Meeting and ending at the close of the next annual meeting of shareholders or until his successor is elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of Association of the Company or with the provisions of the *BVI Business Companies Act, 2004*.

Each person nominated for election as a director will be proposed and voted on individually.

- (3) Member of the Compensation Committee. The Compensation Committee is currently composed of three of the non-executive directors a majority of whom are independent. Corporate Cease Trade Orders or Bankruptcies

Except as hereinafter set forth, no proposed director of the Company is, as at the date hereof, or has been, within ten years before the date hereof, a director, chief executive officer or chief financial officer of any company (including the Company) that:-

1. was the subject of a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in

effect for a period of more than 30 consecutive days, that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or

2. was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days, that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Mr. Anthony J. Williams, the Company's Executive Chairman, was at the relevant time a director of European Diamonds Plc, which has since changed its name to Kopane Diamond Developments Plc (“**European Diamonds**”), a United Kingdom based resource company formerly listed on AIM. European Diamonds became a reporting issuer in British Columbia as a result of a take-over of MineGem Inc. in October 2003. As a result of an incorrect profile on SEDAR that provided a financial year end of December 31, European Diamonds was noted in default by the British Columbia Securities Commission (“**BCSC**”) for not having made certain financial statement filings in respect of a 31 December year end and on 2 June, 2004 the BCSC issued a cease trade order with respect to all trading in the securities of European Diamonds. Subsequently, European Diamonds corrected its SEDAR profile to reflect a 30 June year end. On 4 August, 2004, the BCSC issued a revocation of the cease trade order noting that European Diamonds was not in default of its filings. On 15 November, 2004, upon the application of European Diamonds, the BCSC deemed European Diamonds to have ceased to be a reporting issuer in British Columbia.

Except as hereinafter set forth, no proposed director of the Company is, as at the date hereof, or has been within 10 years before the date hereof, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. James Cable, a Director of the Company, was at the relevant time a director of Primavision Limited, which was placed into creditor's voluntary liquidation on 10 March, 2003. The liquidation was completed in 2007.

Penalties or Sanctions

No proposed director of the Company or any personal holding company of such person has been subject to (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or, (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Personal Bankruptcies

No proposed director of the Company or any personal holding company of such person has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE ELECTION OF EACH OF THE ABOVE-NAMED NOMINEES, UNLESS THE SHAREHOLDER

HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. MANAGEMENT HAS NO REASON TO BELIEVE THAT ANY OF THE NOMINEES WILL BE UNABLE TO SERVE AS A DIRECTOR BUT, IF A NOMINEE IS FOR ANY REASON UNAVAILABLE TO SERVE AS A DIRECTOR, PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE REMAINING NOMINEES AND MAY BE VOTED FOR A SUBSTITUTE NOMINEE UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT OF THE ELECTION OF ALL OF THE DIRECTORS.

Re-Approval of the Stock Option Plan

The Company currently has one stock option plan, as amended and restated, effective as of 13 May, 2010 (the “**Plan**”). The Plan was established to encourage ownership of the common shares of the Company by directors, officers, employees of the Company and its subsidiaries and other service providers, who are primarily responsible for the management and profitable growth of its business and to advance the interests of the Company by providing additional incentive for such persons and to enable the Company and its subsidiaries to attract and retain valued directors, officers, employees and other service providers.

The Plan was last re-approved by shareholders of the Company at the meeting of shareholders held on 23 June, 2010.

The Plan is a “rolling” stock option plan as it provides that the maximum number of shares which may be reserved and set aside for issue under the Plan and which are subject to outstanding options granted under a prior plan must not exceed 10% of the issued shares of the Company at the time of the stock option grant (on a non-diluted basis). The aggregate number of shares which may be reserved for issuance to any one person under the Plan and which are subject to outstanding options granted under a prior plan must not exceed 5% of the issued shares (determined at the date the option was granted) in a 12 month period.

The TSXV requires that “rolling” stock option plans such as the Plan be approved by shareholders on an annual basis. Accordingly, the shareholders of the Company will be asked at the Meeting to re-approve the Plan annexed as Schedule “C” to this Management Information Circular. To be effective, the resolution re-approving the Plan must be approved by a majority of the votes cast by the holders of Common Shares who vote in person or by proxy at the Meeting on the resolution.

The Board of Directors recommends that shareholders vote for the resolution re-approving the Plan. **PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR SUCH RESOLUTION UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.**

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Pursuant to *Form 51-102F6 – Statement of Executive Compensation* (“**Form 51-102 F6**”) and for purposes of this Management Information Circular, a named executive officer (“**NEO**”) of the Company means each of the following individuals:

- (a) a chief executive officer (“**CEO**”) of the Company;
- (b) a chief financial officer (“**CFO**”) of the Company;

- (c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than Cdn\$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6, for that financial year; and
- (d) each individual who would be an NEO under paragraph (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

Accordingly, the NEOs are James T. Williams (CEO), Graham A Potts (CFO) and Anthony J Williams (Executive Chairman). Mr. Potts resigned his position of Chief Financial Officer of the Company effective on 16 March, 2011, but remains Corporate Secretary of the Company. Samuel Clarke has been appointed as the Chief Financial Officer of the Company effective on 9 May, 2011.

This Compensation Discussion and Analysis describes in general terms the significant elements of the NEOs compensation for the financial year ended 31 December, 2010. As set out in the Summary Compensation Table below, compensation comprises salary and option-based awards.

The current objective of the compensation strategy is to seek to attract, motivate, retain and appropriately reward the NEOs in order to promote the development of the Company and achieve the broader objectives set by the Board of Directors.

The Board of Directors has established a Compensation Committee which is currently composed of three members, being Messrs. Thomas A. Bailey, James S. Cable and James A. Crombie. James S. Cable is not considered to be independent by virtue of his previous position as an executive director. The Compensation Committee meets as required during the year to review the performance of the executive directors and senior executives. The scale and structure of the remuneration and compensation packages for the NEOs is set taking into account time commitment, comparatives, risks and responsibilities, to ensure that the amount of compensation adequately reflects the individual's previous performance, achievements, experience, responsibilities and risks of the office or position held.

The Company is at a relatively early stage of development. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Compensation Committee to be appropriate in the evaluation of corporate or the NEOs performance.

The members of the Compensation Committee have between them experience of and contacts within the minerals industry as well as in the broader business community. It is considered that the Compensation Committee has sufficient experience and knowledge to set appropriate levels of compensation. Neither the Company nor the Compensation Committee currently engages independent consultants to evaluate the levels of compensation.

The recommendations of the Compensation Committee are submitted to the independent members of the Board of Directors for consideration and approval.

The Company provides NEOs with base salaries which represent their minimum compensation for services rendered during the financial year. NEOs' base salaries depend on the scope of their experience, responsibilities, and performance. A description of the material terms of each NEO employment contract is provided under "*Terms of Employment, Termination and Change of Control Benefits*" (below).

The Company operates a stock option plan which provides the opportunity for all directors, officers and employees of the Company and its subsidiaries to participate in the grant of stock options. Options are

awarded from time to time with the objective of encouraging a broad base of support for the Company's objectives.

Option-Based Awards

Stock options are granted to executive officers in accordance with the rules of the Plan which is annexed as Schedule "C" to this Management Information Circular. Options are allocated as approved by the Board of Directors on the recommendation of the Compensation Committee. Option awards are reviewed periodically and take into account previous option grants, changes in executive positions and overall contribution to the Company. The material provisions of the Plan are described under the heading "*Business to be considered at the Meeting - Re-Approval of the Stock Option Plan*" in this Management Information Circular.

Summary Compensation Table

The following table sets forth the compensation awarded, paid to or earned by the NEOs of the Company for the financial years ended 31 December, 2010, 2009 and 2008, as applicable:

Notes:

- (1) Salaries are paid in Pounds Sterling and translated into US Dollars for reporting purposes and include any exchange rate fluctuations from year to year.
- (2) The Company has used the Black-Scholes model for calculating the fair value of options granted as it is widely accepted as an industry standard. The key assumptions and estimates used for the calculation of the grant date fair value include:

Year	Risk-free interest rate	Volatility	Expected life
2009	2.98%	74%	2-5 years
2008	4.75%	62%	2-5 years

The grant date fair value presented above is the fair value calculated for the year-end consolidated financial statements.

- (3) Resigned as Chief Financial Officer effective on 16 March, 2011, but remains the Corporate Secretary of the Company.

Outstanding Option-based Awards

The following table sets out all stock options outstanding at 31 December, 2010 for each of the Company's NEOs.

Name	Number of securities underlying unexercised options (#)	Option exercise price (GB£) ⁽¹⁾	Option expiration date	Value of unexercised in-the-money options (GB£) ⁽²⁾	Value of options vested during the year
James T. Williams	750,000	0.12	4 June, 2013	311,250	Nil

Anthony J. Williams	750,000	0.12	4 June, 2013	311,250	Nil

Notes:

- (1) The exercise price is the closing market price on the TSX Venture Exchange on the trading day immediately prior to the date of grant converted at the Cdn\$/GB£ exchange rate ruling on such date.
- (2) The value of unexercised in-the-money options is calculated by using the closing share price on London's AIM on 31 December, 2010 of GB£0.535 less the exercise prices of the in-the-money stock options.
- (3) Resigned as Chief Financial Officer effective on 16 March, 2011, but remains the Corporate Secretary of the Company.

Terms of Employment, Termination and Change of Control Benefits

Anthony Williams, Executive Chairman, provides his services to the Company on a part-time basis at a salary of £72,000 per annum, which is subject to review by the Compensation Committee of the Board of Directors no less than once a year. His appointment may be terminated by either party upon 12 months' written notice. The Company may terminate the appointment by notice but with immediate effect for reasons including gross misconduct or bankruptcy. The appointment agreement is governed by the laws of England. If during the term of Mr. Williams' appointment there is a change of control and within 12 months of such change of control the Company or Mr. Williams terminate the appointment, Mr. Williams will be entitled to compensation, being a lump sum of 300% of his salary at the date of the change of control. The appointment agreement contains restrictive covenants including a non-compete clause for 6 months following termination. If the termination and/or change of control events had occurred on 31 December, 2010 the following are the estimated amounts that would have been payable to Mr Williams:

	Salary
Termination without cause	£72,000
Change of control	£216,000
Termination without cause following a change of control	£216,000

An option gain would have been realised as at 31 December, 2010 as Mr Williams' outstanding options were in-the-money at that date. Details of the gain are disclosed above.

James Williams, Chief Executive Officer, provides his services to the Company on a full-time basis at a salary of £160,000 per annum, which is subject to review by the Compensation Committee of the Board of Directors no less than once a year. His appointment may be terminated by either party upon 12 months' written notice. The Company may terminate the appointment by notice but with immediate effect for reasons including gross misconduct or bankruptcy. The appointment agreement is governed by the laws of England. If during the term of Mr. Williams' appointment there is a change of control and within 12 months of such change of control the Company or Mr. Williams terminate the appointment, Mr. Williams will be entitled to compensation, being a lump sum of 300% of his salary at the date of the change of control. Graham Potts, Corporate Secretary (and Chief Financial Officer until 16 March, 2011), provides his services on a part-time basis at a salary of £80,000 per annum, which is subject to review by the Compensation Committee of the Board of Directors no less than once a year. His appointment may be terminated by either party upon three months' written notice. The Company may terminate the appointment by notice but with immediate effect for reasons including gross misconduct or bankruptcy. The appointment agreement is governed by the laws of England. If during the term of Mr. Potts' appointment there is a change of control and within 12 months of such change of control the Company or Mr. Potts terminate the appointment, Mr. Potts will be entitled to compensation, being a lump sum of 300% of his salary at the date of the change of control. The appointment agreement contains restrictive covenants including a non-compete clause for 6 months following termination. If the termination and/or change of control events had occurred on 31 December, 2010 the following are the estimated amounts that would have been payable to Mr Potts:

	Salary
Termination without cause	£80,000
Change of control	£240,000
Termination without cause following a change of control	£240,000

Option gains would have been realised as at 31 December, 2010 as Mr Potts' outstanding options were in-the-money at that date. Details of the gains are disclosed above.

Change of control means where any person (or persons acting in concert) who (directly or indirectly) controls the Company ceases to do so or if a person (or persons acting in concert) acquires (directly or indirectly) control of the Company. otherwise, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has, in either case, materially affected or would materially affect the Company or any of its subsidiaries, except as otherwise described in this Management Information Circular.

For the purposes of the above, "informed person" means: (a) a director or executive officer of the Corporation; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Corporation; (c) any person or company who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation or a combination of both carrying more than 10% of the voting rights attached to all outstanding voting securities of the Corporation other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Corporation after having purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities.

MANAGEMENT CONTRACTS

There are no management functions of the Company or its subsidiaries which are to any substantial degree performed by a person or company other than the directors or executive officers of the Company or its subsidiaries (or private companies controlled by them, either directly or indirectly).

STATEMENT OF CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the Company's shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day to day management of the Company. The Board of Directors is committed to sound corporate governance practices which are both in the interests of its shareholders and contribute to effective and efficient decision making. The Company believes that its corporate governance practices ensure that the business and affairs of the Company are effectively managed so as to enhance shareholder value. Set out below is a description of the corporate governance practices of the Company as required by National Instrument 58-101 ("NI 58-101") concerning corporate governance disclosure.

Disclosure of Corporate Governance Practices

Board of Directors

Pursuant to NI 58-101, a director is independent if the director has no direct or indirect relationship with the issuer which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a member's independent judgment. Certain directors are deemed to have a material relationship with the issuer by virtue of their position or relationship with the Company. The Board of Directors is currently comprised of five (5) members. After the Meeting, assuming all directors are elected as directors, the Board will be comprised of five (5) directors.

In assessing whether a director is independent for these purposes, the circumstances of each director have been examined in relation to a number of factors. Messrs. Anthony J. Williams and James T. Williams are not considered independent directors as each of them is an executive officer of the Company. James S. Cable is not considered to be independent by virtue of his previous position as an executive director. Messrs. Thomas A. Bailey and James A. Crombie are considered to be independent. Details of directorships held by each director or nominee director in other public issuers are set out in Schedule "A" attached hereto.

The Board of Directors supervises the management of the business and affairs of the Company and is mandated to act with a view to the best interests of the Company. The Board of Directors reviews the business and affairs of the Company and makes any decisions relating thereto. The Board of Directors believes that it functions independently of management. The Board of Directors transacts business as required, without management present. When conflicts do arise, interested parties are precluded from voting on matters in which they may have an interest.

Orientation and Education

The Company does not have a formal process of orientation for new directors. From time to time, corporate officers and legal, financial and other experts provide advice to the Board of Directors in their areas of expertise.

Ethical Business Conduct

The Board of Directors has not yet adopted a written ethical business conduct code for directors, officers and employees of the Company. In circumstances where a director or executive officer has a material interest in a transaction or agreement into which the Company is considering entering, the individual is required to fully disclose his or her interest therein and an ad hoc committee of disinterested directors is appointed to review the same to confirm, among other things, that such transaction or agreement, as applicable, is being entered into on arm's length commercially reasonable terms. Such committee has the right to obtain advice from the Company's counsel and other professional advisors and/or appoint independent counsel and/or advisors.

Nomination of Directors

The Board of Directors has not appointed a formal nominating committee. However, any member of the Board of Directors is free to recommend additional members, as required, and the Board of Directors will consider such recommendations as a whole. Until a committee is formed, the Board of Directors as a whole will be responsible for assessing the effectiveness of the Board of Directors, the committees of the Board of Directors and the contribution of individual directors, taking into account the competencies and skills that the Board of Directors as a whole should possess as well as the competencies and skills that each director should possess.

Compensation

The Compensation Committee is currently composed of three members, being Messrs. Thomas A. Bailey, James S. Cable and James A. Crombie. Messrs. Thomas A. Bailey and James A. Crombie are considered to be independent. James S. Cable is not considered to be independent by virtue of his previous position as an executive director. The Compensation Committee meets as required during the year to review the performance of the executive directors and senior executives and set the scale and structure of their remuneration and compensation packages, taking into account time commitment, comparative fees, risks and responsibilities, to ensure that the amount of compensation adequately reflects the responsibilities and risks of being a director or executive and makes adjustments as deemed necessary.

Board Committees

The Board of Directors currently has two (2) standing committees: the Audit Committee (described in detail below) and the Compensation Committee (described in detail above).

Assessments

Based upon the Company's size, its current state of development and the number of individuals on the Board of Directors, the Board of Directors considers a formal process for assessing regularly the effectiveness and contribution of the Board of Directors, as a whole, its committee or individual directors to be unnecessary at this time. The Board of Directors plans to continue evaluating its own effectiveness on an ad hoc basis.

AUDIT COMMITTEE

Multilateral Instrument 52-110 "Audit Committees" ("MI 52-110") requires the Company to disclose annually in its information circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor, as set forth below.

Charter

The Audit Committee is governed by its charter. A copy of the text of the Audit Committee's charter, established in accordance with MI 52-110, is included in Schedule "B" attached hereto.

Composition of the Audit Committee

Messrs. Thomas A. Bailey, James S. Cable and James A. Crombie are the current members of the Audit Committee. Messrs. Thomas A. Bailey and James A. Crombie are considered to be "independent" within the meaning of MI 52-110. James S. Cable is not considered to be independent by virtue of his previous position as an executive director. All members of the Audit Committee are "financially literate" within the meaning of MI 52-110. The Company is relying upon the exemption in Section 6.1 of MI 52-110 which provides that the Company, as a "venture issuer", is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of MI 52-110.

Education and Experience

Thomas A. Bailey qualified as a solicitor in 1975 and worked as an in-house lawyer for a number of years with Citibank and Chase Manhattan before returning to private practice to establish a law firm which, ultimately, became one of the top 500 law firms in London. Mr Bailey was the senior partner of his firm specialising in commercial law. Mr Bailey has for a number of years carried out consultancy work for various companies.

James S. Cable (the former Chief Financial Officer of the Company) is a Finance Director with extensive experience at board level in quoted and private companies. Mr. Cable has significant international and commercial experience gained in the Middle East, Africa, the Far East and Europe in several business sectors including oil and construction. Mr Cable is a fellow member of the Institute of Chartered Accountants in England and Wales and has more than 30 years qualifying experience. Mr. Cable is also a member of the Institute of Directors in London. Mr Cable is currently an independent consultant.

James A. Crombie holds a degree in Mining Engineering from the Royal School of Mines, London and draws on over 28 years of mining experience including management in various gold and diamond projects and as Mining Analyst, Investment Banker and Corporate Financier. Mr. Crombie is the President, Chief Executive Officer and a director of Reunion Gold Corporation, a mining company listed on the Toronto

Stock Exchange (the “TSX”), and has previously held senior-level executive positions with several mining companies listed on the TSX. During the 1990s, he was Mining Analyst/Corporate Finance Director with Yorkton Securities Inc. at its London office (U.K.).

Save in respect of Mr. Bailey, each member of the Audit Committee has acted as a director or audit committee member of other public issuers in the past and as such obtained experience in performing his responsibilities as a member of the Company's Audit Committee. As well, each member of the Audit Committee is a senior-level businessman and in such capacity has experience in the preparation, analysis and/or evaluation of financial statements generally and an understanding of internal controls and procedures for financial reporting. Given the scope and nature of the Company's business, its financial statements and the accounting issues arising therefrom are relatively uncomplicated. Based on the foregoing, it is the Board of Directors’ conclusion that each of the members of the Audit Committee has an understanding of the accounting principles used by the Company to prepare its financial statements, the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves and experience in evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements.

Pre-Approval Policies and Procedures

In the event that the Company wishes to retain the services of the Company's external auditors for tax compliance, tax advice, tax planning or other non-audit services, such services must be pre approved by the Audit Committee.

Auditor Services Fees

The following chart summarizes the aggregate fees billed by the external auditors of the Company for professional services rendered to the Company during the financial years ended 31 December, 2010 and 2009, for audit and non-audit related services:

6. TERMS AND CONDITIONS OF OPTIONS:

The terms and conditions of each Option granted under the Plan shall include the following, as well as such other provisions, not inconsistent with the Plan, as may be deemed advisable by the Board including those contained in any stock option agreement entered into between the Company and a Participant:

- (a) *Option Price:* The option price of any Shares in respect of which an Option may be granted shall be fixed by the Board but shall be not less than the market price of the Shares at the time the Option is granted less the permissible discount permitted by the rules of the Exchange or other regulatory body having jurisdiction. The Board may fix the option price in any currency determined by the Board, provided that such option price be calculated on the basis of the applicable exchange rate relative to Canadian dollars, as determined by the Board, on the date of grant. For the purpose of this subparagraph 6(a), "market price" shall be deemed to be the closing price as reported by the principal Exchange (or, if the Shares are not so listed or admitted to trading, the average of the closing bid and asked prices as reported on any over-the-counter market) on the day immediately preceding the day upon which the Option is granted, or if not so traded, the average between the closing bid and asked prices thereof as reported for the day immediately preceding the day upon which the Option is granted. In the resolution allocating any Option, the Board may determine that (i) the date of grant of the Option shall be a future date determined in the manner specified in such resolution, in which case, for the purpose of this subparagraph 6(a), "market price" shall be deemed to be the weighted average trading price of the Shares as reported by the principal Exchange (or, if the Shares are not so listed or admitted to trading, the weighted average of the average of the closing bid and asked prices as reported on any over-the-counter market) for five (5) trading days preceding the date of the grant, and (ii) the date or dates of the vesting of the Option shall be a future date or dates determined in the manner specified in such resolution. The Board may also determine that the option price per share may escalate at a specified rate dependent upon the date on which any Option may be exercised by the Participant.

- (b) *Payment:* The full purchase price of Shares purchased under an Option shall be paid to the Company in cash or certified funds upon the exercise thereof, and upon receipt of payment in full, but subject to the terms of the Plan, the number of Shares in respect of which the Option is exercised shall be duly issued as fully paid and non-assessable. A holder of an Option shall have none of the rights of a shareholder until such time as the Shares are issued to him.
- (c) *Term of Option:* Options will be exercisable in whole or in part, and from time to time, during the currency thereof, until the date of expiration specified in the agreement or the resolution granting such Option, as the case may be, provided that if the expiry date of an Option falls during or within three Trading Days of a Black Out Period, the expiry date for the Option will be automatically extended for an additional period expiring on the tenth Trading Day following the end of the Black Out Period. Notwithstanding the above, the maximum term during which an Option may be exercisable shall be the maximum term permitted by the rules of the Exchange from time to time. Each Option shall be subject to earlier termination as provided in subparagraph 6(g).
- (d) *Limitation on Grants:* Subject to the additional restrictions set out in Section 4, no more than 5% of the issued Shares of the Company may be granted to any one individual in any 12 month period, no more than 2% of the issued Shares of the Company may be granted to any one Consultant in any 12 month period and no more than an aggregate of 2% of the issued Shares of the Company may be granted to an employee conducting Investor Relations Activities, in any 12 month period;
- (e) *Representation of Company:* For stock options granted to Employees, Consultant or Management Company Employees, the Company represents that the Optionee is a bona fide Employee, Consultant or Management Company Employee, as the case may be.
- (f) *Exercise of Option:* Subject to the provisions contained in subparagraph 6(g), no Option may be exercised unless the Participant is then an Eligible Person. This Plan shall not confer upon the Participant any right with respect to continuation of employment by the Company. Absence on leave approved by an officer of the Company or of any Subsidiary authorized to give such approval shall not be considered an interruption of employment for any purpose of the Plan. Subject to the provisions of the Plan, an Option may be exercised from time to time by delivery to the Corporate Secretary of the Company at its offices in London, United Kingdom of a written notice of exercise specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the purchase price of the Shares then being purchased.
- (g) *Termination of Options:* Any Option granted pursuant hereto, to the extent not validly exercised, will terminate on the earlier of the following dates:
 - (i) the date of expiration specified in the Option agreement or in the resolution of the Board granting such Option, as the case may be, being not more than five (5) years (or such longer period as permitted by the rules of the Exchange from time to time) after the date upon which the Option was granted;
 - (ii) ninety (90) days after the Participant ceases to be an Eligible Person, other than by reason of retirement, permanent disability or death. Without limitation, and for greater certainty only, this provision will apply regardless of whether the Participant

was dismissed with or without cause and regardless of whether the Participant received compensation in respect of dismissal or was entitled to a period of notice of termination which would otherwise have permitted a greater portion of the Option to vest with the Participant;

- (iii) one hundred and eighty (180) days after the date of the death of the Participant during which period the Option may be exercised by the Participant's legal representative or the person or persons to whom the deceased Participant's rights under the Option shall pass by will or the applicable laws of descent and distribution, and only to the extent the Participant would have been entitled to exercise the Option on the date of death;
 - (iv) ninety (90) days after termination of the Participant's employment by reason of permanent disability or retirement under any retirement plan of the Company or any Subsidiary, during which ninety (90) day period the Participant may exercise the Option to the extent he was entitled to exercise it at the time of such termination, provided that if the Participant shall die within such ninety (90) day period, then such right shall be extended to ninety (90) days following the date of death of the Participant and shall be exercisable only by the persons described in clause 6(g)(iii) hereof and only to the extent therein set forth; and
 - (v) thirty (30) days after the date of a Participant who is engaged in Investor Relations Activities ceases to be employed by the Company to provide Investor Relations Activities.
- (h) *Non-transferability of Stock Option:* No Option shall be transferable or assignable by the Participant other than by will or the laws of descent and distribution and such Option shall be exercisable during his lifetime only by the Participant.
- (i) *Applicable Laws or Regulations:* The Plan, the grant and exercise of Options hereunder and the Company's obligation to sell and deliver Shares upon exercise of Options shall be subject to all applicable federal, provincial and foreign laws, rules and regulations, the rules and regulations of Exchange and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel to the Company, be required. The Company shall not be obligated by any provision of the Plan or the granting of any Option hereunder to issue or sell Shares in violation of such laws, rules and regulations or any condition of such approvals. No Option shall be granted and no Shares issued or sold hereunder where such grant, issue or sale would require registration of the Plan or the Shares under the securities laws of any foreign jurisdiction and any purported grant of any Option or issue or sale of Shares hereunder in violation of this provision shall be void. In addition, the Company shall have no obligation to issue any Shares pursuant to the Plan unless such Shares shall have been duly listed, upon official notice of issuance, with all stock exchanges on which the Shares are listed for trading. Shares issued and sold to Participants pursuant to the exercise of Options may be subject to limitations on sale or resale under applicable securities laws.
- (j) *Shareholder approval:* Disinterested shareholder approval will be obtained for any reduction in the exercise price if the Optionee is an Insider of the Company at the time of the proposed amendment.

- (k) *Vesting*: Options issued to Consultants performing Investor Relations Activities will vest as determined by the Board in stages over 12 months, with no more than $\frac{1}{4}$ of the Options vesting in any three month period.
- (l) *Hold Period*: All Options must be legended with a four (4) month hold period commencing on the date the Options are granted.

7. ADJUSTMENTS IN SHARES SUBJECT TO THE PLAN:

- (a) *Subdivisions and Redivisions*: In the event of any subdivision or redivision or subdivisions or redivisions of the Shares at any time while any Option is outstanding into a greater number of Shares, the Company shall thereafter deliver at the time of exercise of any Option, in lieu of the number of Shares in respect of which such Option is then being exercised, such greater number of Shares as would result from said subdivision or redivision or subdivisions or redivisions had such Option been exercised before such subdivision or redivision or subdivisions or redivisions without the Participant making any additional payment or giving any other consideration therefor.
- (b) *Consolidations*: In the event of any consolidation or consolidations of the Shares at any time while any Option is outstanding into a lesser number of Shares, the Company shall thereafter deliver, and the Participant shall accept, at the time of exercise of any Option, in lieu of the number of Shares in respect of which such Option is then being exercised, such lesser number of Shares as would result from such consolidation or consolidations had such Option been exercised before such consolidation or consolidations.

- (f) The Company shall not be obligated to issue fractional Shares in satisfaction of its obligations under the Plan or any Option and the Participant will not be entitled to receive any form of compensation in lieu thereof.
- (g) If at any time the Company grants to its shareholders the right to subscribe for and purchase pro rata additional securities or of any other corporation or entity, there shall be no adjustments made to the number of Shares or other securities subject to the Options in consequence thereof and the Options shall remain unaffected.
