29 October 2015

Trading To Resume on TSX-V

Arian Silver Corporation (the “Company”) advises that in accordance with the respective rules of the Toronto Venture Stock Exchange (“TSXV”) and AIM, trading on TSXV will resume approximately 30 minutes after the time of this announcement; the trading suspension on AIM remains in effect pending a further announcement regarding the Company’s financial position.

As announced earlier today, and further to the Company’s announcement on 22 September 2015 of the signing of a letter of intent and non-binding term sheet with Quintana AGQ Holding Co. LLC (“Quintana”), discussions with Quintana and its affiliates remain on-going, but that notice has been received from Quintana to terminate the letter of intent in accordance with its terms. A further announcement will be made in due course.

Forward-Looking Information

This press release contains certain “forward-looking information”. All statements, other than statements of historical fact that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future. This forward-looking information reflects the current expectations or beliefs of the Company based on information currently available to the Company as well as certain assumptions (including in particular, that revised terms will be agreed). Forward-looking information is subject to a number of significant risks and uncertainties and other factors that may cause the actual results of the Company to differ materially from those discussed in the forward-looking information, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on the Company. Factors that could cause actual results or events to differ materially from current expectations include, but are not limited to, the failure to satisfy the terms under any of the Company’s existing contractual obligations with Quintana (including in particular, the terms under the Base Metals Purchase Agreement as announced on 15 October 2014).

Any forward-looking information speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking information, whether as a result of new information, future events or results or otherwise. Although the Company believes that the assumptions inherent in the forward-looking information are reasonable, forward-looking information is not a guarantee of future performance and accordingly undue reliance should not be put on such information due to the inherent uncertainty therein.
