Announcement of Joint Venture Partner West Coast Silver Limited Quarterly Activities Report

Alien Metals Limited (**AIM: UFO**), a minerals exploration and development company, announces that its joint venture partner at Elizabeth Hill, West Coast Silver Ltd (**ASX: WCE**) (formerly Errawarra Resources Limited), today released its Quarterly Activities Report for the period ending 30 June 2025.

Guy Robertson, Executive Chairman, commented:

"This quarter marks a period of outstanding progress at the Elizabeth Hill Silver Project, where Alien maintains a 30% free-carried interest and remains the largest shareholder in West Coast Silver. The project continues to gain momentum with significant advancements in both exploration and corporate development.

"With no funding obligations until a decision to mine, Alien is exceptionally well placed to benefit from the upside being delivered by the West Coast Silver team."

Notes to Editors

Alien Metals Ltd is a mining exploration and development company listed on the AIM market of the London Stock Exchange (AIM: UFO). The Company's focus is on delivering a profitable direct shipping iron ore operation from its 90% Hancock iron ore project in the central Pilbara region of Western Australia. The Hancock tenements currently contain a JORC-compliant resource of 8.4Mt iron ore @ 60% Fe and offers significant exploration upside which is targeted to deliver a mining operation of 2Mtpa for 10 years.

These Hancock Project tenements have direct access to the Great Northern Highway, which provides an essential export route to export facilities at Port Hedland, from where more than 500Mt of iron ore is exported annually (30% of global production). The Company also has an interest in two iron ore exploration projects Brockman and Vivash, located in the West Pilbara.

The Company owns one of Australia's largest PGM deposits, Munni Munni which hosts a deposit containing a historic resource of 2.2Moz PGM (Palladium, Platinum, and Rhodium) and Gold. The Company has recently entered into a joint venture with West Coast Silver Limited (formerly Errawarra Resources Limited) for the development of the Elizabeth Hill Silver Project, located near Karratha in the Pilbara, which consists of the Elizabeth Hill Mining Lease and exploration tenements surrounding the historical silver mine which has produced some of Australia's highest-grade silver ore during the late 1990s.
